

OCONEE

COMING TO OCONEE COUNTY
FALL 2018

Tri-County is excited to offer programs in the following fields:

- Business Administration
- CNC
- Industrial Electronics
- Mechatronics
- Manufacturing Management and Leadership
- South Carolina Manufacturing Certification (SCMC)
- Logistics
- University Transfer

And more!

Students can earn certifications and credentials, and even complete the first year of courses toward an associate's degree.

9:35-11 am	ENG 101: English Composition I	PSC 201: American Government
8:30-11:30 am		HSS 205: Technology & Society

SPRING 2019

University Transfer Courses Will Include

MONDAY/WEDNESDAY

8-9:25 am	ENG 102: English Composition II	ECO 210: Macroeconomics
9:35-11 am	MAT 120: Probability & Statistics	SPC 205: Public Speaking

- With permission from the high school, students can **earn high school and college credit for the same course, which will be calculated at the AP level in high school GPAs.**
- With above course offerings, students may take up to 5 courses in 2018 – 2019, which equates to 1 college semester. More offerings are available online or at other TCTC campuses.
- To prepare for courses, students should take the TCTC ACCUPLACER assessment to qualify for certain courses and attend the TCTC Dual Enrollment Orientation in spring 2018.
- Lottery Tuition Assistance (LTA) is available for students taking two or more courses in the same semester.
- Tuition and Costs (Costs are based on 2017 – 2018 rates and are subject to change.)
 - » One 3-credit hour course: \$521.52 plus books and materials
 - » Two 3-credit hour courses: \$473.04 plus books and materials (LTA applies)
 - » Three 3-credit hours courses: \$709.56 plus books and materials (LTA applies)

For more information, contact Amanda Blanton, ablanton@tctc.edu or 864-646-1501.

TECHNICAL CAREER PATHWAY OPTION

8:30 -11:30 am	EEM 161: Industrial Instruments	IMT 131: Hydraulics and Pneumatics	EEM 161: Industrial Instruments	IMT 131: Hydraulics and Pneumatics	MAT 170: Algebra, Geometry and Trigonometry

YEAR 2

(As a High School Senior)

FALL 2019	SPRING 2020
EEM 118: AC/DC Circuits II IDS 106: Employment Development Skills ENG 165: Personal Communication	IMT 141: Electrical Code Devices QAT 101: Introduction to Quality Assurance PSC 201: American Government

- With permission from the high school, **earn high school and college credit for the same course.**
- **No Costs to Students!** Due to the high demand for qualified employees in this career field, Technical Career Pathways courses and textbooks are **FREE** to enrolled students!

GRADUATE FROM HIGH SCHOOL WITH A TECHNICAL OPERATIONS I & II CERTIFICATE

AND 44 HOURS OF COLLEGE CREDIT

- Build a competitive and marketable resume for careers in manufacturing following high school or continue at Tri-County to earn an Associate in Applied Science Degree in either Industrial Electronics or Mechatronics.
- After high school, graduate with an Associate in Applied Science Degree in 3 additional semesters.
- Earn an excellent salary in Oconee county where the demand is high for multi-skilled technicians!
- At Tri-County, have the opportunity to qualify for a Technical Scholars Program with a local company where you'll receive valuable work experience, earn a paycheck, and receive tuition scholarships. (Most Technical Scholars are hired into full time positions upon completion of the Associate Degree.)
